Are you an artist who would like to join us

Chichester Open Studios is a very popular event in the local annual calendar,

attracting a large and devoted audience for our wide range of work.

If you are an artist living or working in or around Chichester, and would like to be part of our Open Studios, visit

www.chichesteropenstudios.org or email info@chichesteropenstudios.org for more information.

Registration is in November for the following May. Sign up to our Newsletters for reminders and useful information.

STUDIO ETIQUETTE

Please remember, this is the artists place of work, and many work in a purpose-built studio or space in their home. Some share spaces at farms or in small industrial estates so also be mindful of neighbouring businesses. Remember not to walk around private spaces such as gardens or other rooms in houses.

If you would like to photograph the artist or their work, it is essential that you ask their permission and do not replicate their work online.

The organisers and artists of Chichester Open Studios cannot accept liability for any loss, damage or injury sustained by any member of the public visiting participating Studios. Visitors should be alert to the variety of working environments, and the possible hazards, and visit Studios at their own risk. Please supervise children carefully.

150+ ARTISTS ARE OPENING 125 STUDIOS IN CHICHESTER AND THE SURROUNDING AREAS AND WELCOME YOU TO **THE 2023 CHICHESTER OPEN STUDIOS.**

In light of the Coronation of King Charles III, we welcome you to visit our talented local artists earlier this year. Join us for the last two weekends in April and the first Bank Holiday in May. The guide is set out so you can explore each area separately, or discover artists by an exciting variety of mediums

THE 2023 OPEN STUDIOS TEAM

Mim McCann Becky Rose Emily Ellen Helen Button Daphne Casdagli

We look forward to meeting you on Chichester Open Studios 2023!

If there isn't time to visit all your chosen artists, hold on to this Guide and feel free to contact artists in the future. You can always find more information about our artists at www.chichesteropenstudios.org and on Instagram, Facebook and Twitter @chichesteropenstudios

WHAT IS AN OPEN STUDIOS EVENT?

It is a time when artists open their creative spaces to the community; where they can meet their audience in person, exploring their themes and processes with others and gain a fulfilling insight into why others are interested in their art. Visitors can learn directly from the artist, finding out what makes us tick, how we create our art works and what processes we use. Demonstrations often take place where suitable which can be a fun and exciting experience.

Artwork will also be available to purchase; commissions are often welcome and some artists run workshops or courses where you can sign up to learn a new skill. Some of us are full-time professionals, others create on a part-time basis and some enjoy creating in their spare time. One thing is for sure, this is an incredibly artistic area with a huge talent base. All of us are passionate about the art-world and are looking forward to sharing what life is like as an artist with you.

2023 has seen an update of our name and the creation of a new logo, with thanks to the wonderful team at 247 Creative for all the professional skills. The Committee felt an update with a modern look that celebrated our beginnings as "Open Doors" in 2001, and a representation of the successful growth of the event was needed. Look out for our logo on road signs to point you in the direction of our studios.

We would be delighted you share your visits on social media and please tag us @chichesteropenstudios.

If there isn't time to visit all your chosen artists, hold on to this Guide and feel free to contact artists in the future. You can always find more information about our artists at www.chichesteropenstudios.org and on Instagram, Facebook and Twitter @chichesteropenstudios

If you would like to photograph the artist or their work, it is essential that you ask their permission and do not replicate their work online.

Bosham Walk is an Art & Crafts shop located in the heart of Bosham - a popular destination next to Chichester Harbour.

We sell a variety of products from unique vendors through our central till system, including art, photography, ceramics, woodcraft, clothing, glass, homeware, jewellery, books, and much more.

Search for the perfect gift, enjoy our café and ice cream shop, or get creative with pottery painting in our ceramics studio.

Looking for a space to sell or create?
